

For the starting, you have to make all of the background light blue. To draw a little bit of snow at the bottom, click the pencil and put the line color as white, the line size as 28.

For the body draw 3 circles from the shapes. Make one circle big (this circle will go in the middle at the bottom of your page), make another circle middle size and put that circle in the middle of the page right above the other circle. Make another circle that is smaller than the middle one, put that circle above the middle circle. The line color will be white and the outline size 4.

For the nose click the strait line in the shapes, change the color to orange, the size will be 4. Make a triangle for the nose, (the nose will go on the head/smallest circle, and will go in the middle of the head).

For the mouth you go to the shapes, click on the circles. The color of the circles will be black, and the size 5. Make 6 small circle below the nose. Color them in with black.

For the eyes click on the shapes and pick the circle, make two circles (both black). The fill color will be black and the line color white. The circles will go a little bit above the nose.

For the arms click the line in the shapes, change the color to brown. Make two middle size lines, and put them on the middle circle (the lines will be pointing out). Make 4 little lines that will go on the big line (put two little sticks on each middle size sticks) (make them like sticks).

For the buttons go to shapes and click the circle. Change the circle color to black, and the size will be 7. Make 3 circles (small circles). On the middle circle is where you put the buttons (in the middle of the middle circle). Make the circles in a straight line.

For the snowflakes go to the shapes, and click on the snowflake (ship wheel). Put 40 snowflakes on the picture (put some snowflakes on the snowman half will be on snowman the other half of the snowflake will be on the blue part).
